WELCOME TO 1984 - the year of Repression

Many years ago the author GEORGE ORWELL wrote a book called 1984 in which he wrote about an imaginary society where 'BIG BROTHER' watched every move and interfered with how individuals made decisions about their own lives. Everyone regarded this as a terrifying book - but throughout 1983 we've seen attack after attack on the sex industry that clearly show that Orwell's 'model' of society in 1984 is not far removed from the truth. In 1983 these things happened.

1. MORE PRISON SENTENCES - more people were sent to prison under section two of the obscene publications act than in ANY YEAR since its inception. A high court judge ruled that prison should be an automatic sentence for 'brokers in this filth'. Additionally, another High court judge ruled that importers of pornography were only one degree better than people who imported hard drugs into Britain and should be treated accordingly with long prison sentences. Is it right that the government should interfere with your life in this way? Surely the individual should decide what he reads or looks at and not some BIG BROTHER.

2. LICENSING

This was introduced to cover sexshops and cinemas over 12 months ago. It has been used, mainly not to license but to prohibit. When the government introduced it they said that they were out to control sexshops not ban them - in reality hardly a sexshop or cinema club license had been granted anywhere in Britain. The premises are still open because of a complicated appeal procedure - but unless the courts are more sensible than the councils then quite clearly LICENSING will have been used as a 'democratic' means of abolition. Is it right you should be deprived of YOUR RIGHTS to visit sexshops and sex cinemas?

3. ATTACKS ON NEWSAGENTS

In 1983 a concerted attack was made on newsagents selling Whitehouse magazine - in an attempt to ban it. Newsagent after newsagent was charged with selling it. HOWEVER, thank god that the British jury system put a stop to this. After TEN CONSECUTIVE ACQUITALS all further charges were dropped with full costs awarded. The publishers had spent tens of thousands of pounds in legal fees to stay in business. Here Big Brother was stopped in 1983 - let's hope he doesn't return in 1984.

2. The Home Secretary, The Home Office, Whitehall, London SW1.
3. Write to the local/national newspaper you read.

Place a firm order for this magazine and magazines like it - this is a financial battle - by providing us with your support we have the funds to carry on the fight... Last year the police seized more magazines than in any previous year - causing huge financial losses to all the publishers concerned - but we will fight for their return through the courts. This costs vast fortunes in legal bills, but your support adds to our campaign funds. **AND** visit your local sexshops and cinema clubs who are fighting for survival against regressive and retrospective legislation.

DON'T JUST SIT THERE - join the fight, write a few letters and make your opinions known to your friends and workmates - DON'T BE A WHIMP. Don't let BIG BROTHER dictate to you how you're going to lead your life - DON'T LET BIG BROTHER WIN THE DAY.

Zeta in Northampton

She is young, blonde, and very beautiful. She is Zeta. Her aim in life is to make people's fantasies come true, what sort of people, what sort of fantasies, you'll find out as you read on. All her adventures are *true* sexual adventures. Zeta, also graces the pages of the new magazine Adult FANTASY, and she is also, for a short while, writing in Whitehouse.

My aim in life is to make people happy. But the type of person go for is the 'average man in the street'. If a person looks like he needs a break, if he deserves a break, then I will try and help him out, and I always help out in the best way that I can, which is by making the person's sexual dreams come true.

I do not like flash, super stud types, they bore me. I go for the ordinary working man who really appreciates what I can do for him.

As I do not have much space, I will cut out some of the details, and get on with the action. But just to say that everything I write is the truth.

Unlike some so called sex stars, I only write the truth, these things really did happen to me.

I was in Northampton seeing some friends, and then went for a walk round town, and I ran into a man called Peter.

Again, I must apologise for leaving out a lot of detail about that first meeting with him, but I really am pushed for space.

Well, it turned out that Peter had just been fired from his job, that he was really down, and also, which didn't help, he was just 22 and very shy.

I found out that he hadn't had a screw for ages and ages, and my heart went out to him. So I said: "Name your fantasy."

"How do you mean?" he asked.

I smiled. "You are down on your luck, you are a normal working bloke, you deserve a break, and I think a fuck session with me would really boost your self confidence," I told him. "So name your sexual dream and I'll make it come true."

Yes, that is my theory, that if I fuck with a man, a nice average man, or a shy one as Peter was, then it will give him a new lease of life, enable him to face the world again.

"I'm too shy to say," he said.

"I wouldn't have asked you if you were self confident," I told him. "I only go with men who need a break, men who are shy like you, or else who are worried about something."

Yes, this is also true, in my time I have fucked with short men, fat men, spotty faced youths, really old men, very thin men. Nice ordinary people, the sort who would be reading this magazine. Like I said, flash self confident types who come on strong always get told to piss off.

"I haven't had much sexual experience," he said.

"I know that," I replied, taking his hand. "But you just tell me what would make you really happy, tell me what your secret fantasy is, and I promise that no matter what it is I will make it come true for you this very day."

"Why me"

"You are shy, young, and need a break," I told him. "You are what I call a deserving case, so come on, stop being shy, name your dream so that I can make you happy, so that, for a little while, I can make you forget your problems."

"Well...er...well, I don't know," he said at last.

I smiled and pushed him into an answer, and in the end, blushing like mad, he said. "I have always, but always, wanted to come over a woman's face, but the couple of girls that I have been with have never allowed me to do that."

"You want to come all over my face, want to see your sperm washing all over my face, then that is okay, that is what you shall have."

I took him back to my friend's flat, for they were going to be out for hours and hours, and he was blushing again when we went into the bedroom and I started to undress him.

Yes, if he had come on strong, even at this stage, I would have thrown him out. I can't stand flash know it all men who think they are God's gift to women.

As I undressed him, he asked me about myself, and I told him that I was 25, and when I was 18 I had gone to Sweden and made a fortune in sex films, that now I was back in the UK, doing some modelling, and trying to help people. Yes, I was even voted Miss Europe while in Sweden, and my aim really is to help people like him.

When he was naked I looked and saw he had a very nice cock, not that size had ever bothered me, I have had lousy fucks from men with huge cocks, and good brilliant fucks from men with small cocks. With me personality is much more important than looks, if a man really deserves to have his dreams come true then I don't give a shit what he looks like.

We went over to the bed, and I undressed, and when he saw my naked body, his cock got hard straight away, and I took that as a great compliment.

Okay, I thought, as I got onto the bed with him. You have always dreamed that you could come over a woman's face, well, I am going to make that dream come true, and I will make sure that it is so good that you will remember it for the rest of your life.

I held him close and kissed him, ran my hands all over his body, and he was really blushing as I did this, he really was very shy indeed.

I knew that if I could stop him being so shy that he would regain a lot of self confidence, and this would help him in his future life. Yes, I do like to help people in that way.

I then stretched him out on his back, and asked him if he wanted to wank off over my face, or did his sexual dream mean that I should suck him till he came and then have his spunk over my face.

"Er...suck," he said, still being a little shy, but as I leaned over his nice throbbing cock I was pleased to see that he had stopped blushing.

I was feeling good, feeling very happy indeed, as I started to run the tip of my tongue over his balls, for making people's dreams come true always makes me very happy indeed.

I lapped at his balls, and he started to moan with lust, and I smiled, for when I was in Sweden, the people at the film studio there had voted me the best expert at oral sex they had ever seen,

We would like to emphasise that the girl seen on the following pages is not Zeta, who is currently filming. However, she is due to appear in future issues!

and I intended to give this man this young shy man, the best blow job he would ever have in his life.

I lapped at his balls, and then started to move my tongue up and down his shaft, and I did this nice and slowly, for the longer the blow job lasted then the more spunk he would produce at the end, and I always like to get as much out of a man as possible, and anyway, if I managed to make him give out with the biggest ejaculation of his life, that really would give a huge boost to his confidence with women.

I lapped at his shaft, then at his balls again, and then slowly peeled his foreskin right the way back and exposed his very swollen glands.

He shook with delight when my tongue brushed over the head of his knob, and so did I, for he tasted really good, in fact the taste of his cock was so good that as I lapped at it, my cunt lips gaped open and my juices started to dribble out all over the sheets.

Mind you, I always do that when I'm lapping at a cock, for I happen to think that a cock is the best thing in the world a woman can get into her mouth.

That cock was very hot and salty, and I soon had it inside my mouth, just inside my lips, and as I sucked very gently at it, I also used my hands on his balls and shaft, and soon he was grasping out that this was the biggest erection he had ever had in his life.

I smiled, then took his glans much deeper into my mouth and sucked just a little harder, and that taste of his hot tool was now getting to me so much that I dould feel the juices really bubbling inside me, and as I went on sucking, I had an orgasm.

That isn't unusual for me, having an orgasm when sucking cock, for I love cocks so very much, especially when they belong to men who deserve a break.

I blew in and out with my cheeks, slowly, very slowly, increased

the suction with my mouth, for I did not want to rush, for reasons that I have already stated.

I sucked slowly and gently, and was pleased to see that he was not blushing any more, and I then twisted round and invited him to work on my pussy, for I was so worked up by having that lovely cock of his in my mouth that I just had to have something inside my cunt.

He reached out, without blushing, and his right hand started to move over my soaking wet pussy lips, and then he slipped two fingers inside me, and like many shy men of his age he went at it a little too fast.

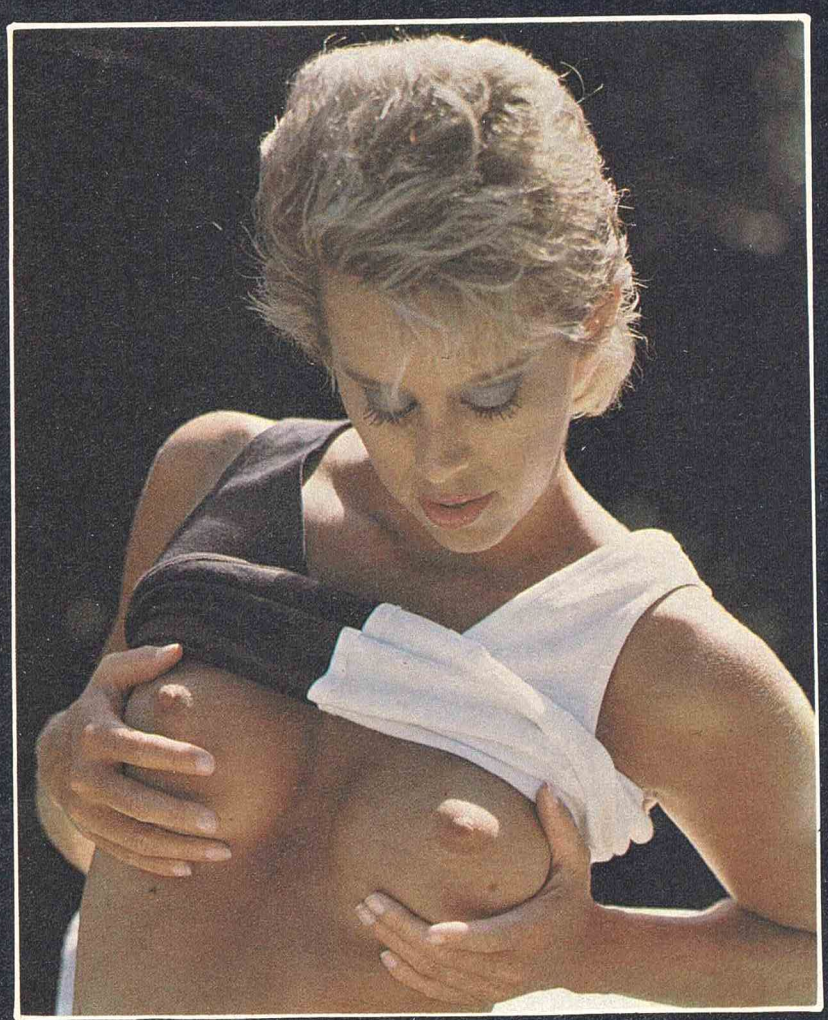
I stopped sucking him and asked him to slow down, and he blushed, I told him not to be silly, that I was more than happy to teach him the right way to go about things, and he stopped blushing, listened to me, then pushed two fingers back into my cunt and then started to wank me off just the way I liked it.

His fingers moved slowly and easily inside my cunt, the tips of his fingers now exploring the walls, now going deep, now brushing against my very depths, and this sent waves of pleasure running through my entire naked body.

He did it nice and slowly, and when he was really into it, I again took that lovely hot cock of his into my mouth and started to suck it all over again.

It was really throbbing like hell this time, the glans really huge, and this time I took it in deep, really deep, the glans almost going down my throat, and then I sucked harder than ever, really tugged at his balls, and he started to heave all over.

I sucked hard, and he then started to wank me just a little faster, the fingers flashing in and out, and my orgasms were coming faster now, faster and with such more intensity, he was really doing it well.



I bobbed my head up and down, sucked hard, and then felt the glans start to expand inside my mouth, and I knew that it wouldn't be long before he came.

The the first hot spurt of spunk gushed into my mouth, and it tasted so hot, so very good, that I climaxed on the spot.

I quickly took his cock from my mouth and held it very close to my face, and finished him off with my fingers.

He was looking at me, delight written all over his face as he saw his great thick waves of beautiful hot spunk go showering over my cheeks, my nose, and my chin.

I still had a little bit of his spunk in my mouth, and I rolled this round and inside of my cheeks, and then slowly allowed it to trickle down my throat, and it goes without saying that as I did that, I had a very lovely climax.

I pulled fast and hard at his cock and balls now, so as to make sure that every last possible drop of sperm came out of him, and I had been right in my timing, he had timed it so well, he made it last so long, that the spunk was the biggest ejaculation he had ever had.

The last drop came from his cock, and then that cock started to go limp, and I leaned over and once again took it into my mouth and sucked it, and even managed to get one further drop of hot sperm from it, and of course, I drank that drop down.

My face was now swimming with spunk, and he was gazing at me, rapture in his eyes. "That is a real fantasy come true," he said.

My entire face seemed to be coated with the stuff, and jut having it there gave me another orgasm. He pulled his fingers from my cunt and then placed then in his mouth and sucked them dry, and told me what a lovely taste I had.

I smiled, it was good to see that he was no longer shy, indeed,

after that cock sucking he looked a different man, so more confident of himself, so much happier.

I sat on the bed, spunk dripping from my face, and then used my right hand and wiped some of it from my chin, and then, with him still watching me, I placed my fingers inside my mouth and sucked them dry.

In fact, I repeated this operation many times over, and he loved watching me do it.

We had a talk after that, and I tried to help him with his problems, and he agreed that having seen what he had seen made a new man out of him, he was amazed that a sexy star like me would take all this trouble with him.

Again, I found myself repeating my aim in life, that he was the sort of man I wanted to help. It wasn't his age - for I have fucked with really old men - it was because he was an average guy, trying his best, and I thought he really did need a break.

Well, I don't just make a sexual dream come true and then throw the man out. No, when I am with a person, and if there is time, then I turn it into a full session.

I had taken care of one of his sexual dreams, and now I asked him if he had any others, and he mentioned several, and this meant he was no longer shy about sex and this pleased me very much indeed.

I then sucked him once more, and got his really hard, and then he got on top of me, and pushed his cock all the way into my cunt hole and gave me one of the best fucks that I had ever had in my life.

VIDEOS
BUY & RENT

Over the past few months there has been tremendous criticism of the videos on sale in Adult shops - often little stronger than those sold in video shops, and generally badly packaged, with bad reproduction.
NOW THIS IS OVER! We have now acquired the top selling HARDCORE VIDEO TAPES FROM SCANDINAVIA – and we offer them to you at unbeatable, low prices! (See below). If you buy these videos we are sure you'll want to keep them – as they are all real collectors items! However, if you decide you want to swop them in against something else, we'll always give you HALF BACK against another purchase.
Adult shops can sell the strongest videos because unlike ordinary video shops they are for adults only. **All these videos are full length, running for 1 hour or more.**

A NYMPHOMANIAC?

The very lovely model featured here is one of the very lovely NYMPHOMANIACS in the new all nudity, all sex action film DESIRES OF THE NYMPHOMANIACS. The pictures featured here, however, are not from the film. The film stars all the top British Sex Queens including: Zena Whitehouse, Vicki Scott, Natalie Newport, Rosemarie England, Louise London, and even features a tiny, previously unseen sequence of the late, but not forgotten, sex queen MARY MILLINGTON.

DESIRES OF THE NYMPHOMANIACS is out on release now, so look out for it at a cinema near you. It is showing, as a bonus, with the Mary Millington classic STAR SEX. Without doubt this will be the last chance for Mary's fans to see her on the Big Screen.
